News & Events

Register Now for Fall Workshops & Events

Learn about UDL, course design, grading rubrics, digital distraction, Domain of One's Own, faculty and student views on academic technology, and more. Spaces are limited -- RSVP today!

Check Out New Course Design Opportunities

Are you designing or revamping a course this fall? We've launched two new services for faculty interested in course design principles and best practices.

You're Invited: ASSETT "Appy Hour"!

Connect with colleagues, meet our staff, and learn about upcoming events while enjoying "mocktails" and snacks. Join us in the Technology Learning Center on Wed., Sept. 19 from 4 to 6 p.m. [RSVPs are appreciated](#), but not required.

ASSETT Welcomes Sam Kindick

Sam is a PhD candidate in the department of Classics, an experienced online and classroom instructor, and ASSETT's new Lead Student Fellow. [Read Sam's full bio](#) on our website.

What We Did During the Summer Break

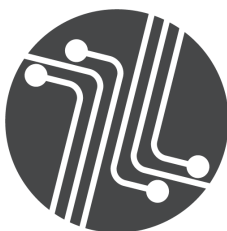

Campus was quiet, but the ASSETT team was hard at work! Read some virtual postcards from our staff about we did this summer.

Columns

Letters from the Advisor

Welcome to a new semester; upcoming professional development events; asking questions that promote student learning.

Tech Spotlight: Kubi Telepresence Robot

OIT's new service permits remote attendance, removing barriers for students who are not physically able to attend face-to-face classes.
