Individual advising

and other details.

Assigned advisor

they declare.

Group advising

Leeds students have an assigned

advisor based on their year in school or their declared area of emphasis. First year students are assigned a first-year advisor. Beginning in the second year,

students will be assigned to a specific Area of Emphasis advisor once they declare. Second-year Open Option students will remain with their first-year advisor until

Academic Advisors offer a series of workshops in the weeks

leading up to the registration

period. In order to remove the

Academic Advising Required registration hold, students must

attend at least one workshop. Within the first month of the semester, students will receive an email with the workshop schedule

In order to remove the Academic Advising Required registration hold, students must schedule and attend an individual appointment with the Academic Advisor for their Area of Emphasis. Within the first month of the semester, students will receive an email with details.

Regular meetings

Continue to meet with your Assigned Advisor regularly to ensure you are on-track

Senior check-out appointment

Meet with your Assigned Advisor before registering for your last semester
