

## Level 2 Mentors

### Elizabeth Benz

Hello! My name is Elizabeth (Liz) Benz and I am so excited to be serving as a mentor in P2P. I am a Sophomore in Leeds and am planning on majoring in Operations. I came in with a bunch of credits from high school though, so I'm planning on taking advantage of the many certificate programs Leeds offers. I grew up in St. Louis, Missouri but have been a Colorado girl since I was 10 when I moved to Parker. I am a brother of the co-ed Business Fraternity Alpha Kappa Psi, and am looking to take on some leadership roles through that. I am a really bubbly girl who loves to get out and have fun with friends; whether it's hiking the Flatirons, hitting the Hill, shopping on Pearl, or just lounging on Farrand. I take school very seriously and would love to help some Freshmen with this first year at Leeds. Go Buffs :)

### Sarah Boline

Hey guys! My name is Sarah, and I'm a senior with an accounting emphasis here at Leeds. I grew up in Park City, Utah so I love to ski and snowboard in the winter. I also enjoy playing tennis, watching hockey, and listening to country music! I love CU and can't wait to share my experiences you. Go Buffs!

### Maggie Corcoran

Hi, my name is Maggie and I am a senior at Leeds. I am majoring in Information and Operations Management and I also plan on completing the Entrepreneurial Certificate. This summer I will be studying abroad in Italy and traveling around Europe for a few weeks after I finish my classes. When I am in Boulder I enjoy fly-fishing all along the Colorado's Front Range, going on hikes with my puppy dog Duke, and hanging out with friends. I spent my first two years at CU on the Colorado Crew team and I am a current member of the CU Fly Fishing Team as well as the Professional Mentorship Program

**Will Dow**

I am from Vancouver, Washington but was born in San Francisco. I have played sports all my life, primarily soccer but I love doing anything active! I am a Junior and will be studying Finance, hopefully I will go on to work on Wall Street as a day trader. I am a brother in Sigma Alpha Epsilon and am also a member of the Investment club.

**Daniella Hemsley**

My name is Daniella and I am a junior majoring in Finance and Marketing. I am originally from Chicago. I love everything about CU and am very active in the Business School, Greek life (Alpha Phi), and am a member of the CU USCSA ski team. I love to stay active by spending time working out, hiking, skiing, hanging out with friends and taking advantage of everything that Boulder has to offer. School is very important to me and I look forward to sharing all my tips in order to stay on top of your work, manage your time, and what it takes to succeed at CU. I love everything about CU and I cannot wait to help you transition into Leeds. GO BUFFS!

**Erin Kelley**

Hi everyone! My name is Erin Kelley and I'm from a small town right outside of Houston, TX called The Woodlands. I am currently a junior at Leeds and I am studying Finance with a certificate in Real Estate. I am also a member of NSCS where I get to do various work for nonprofits outside of school. This is my third year in P2P; I started out as a mentee just like you! I love meeting new people and I am so excited to hopefully help you have as good of a year as I did my first year! I'm a country girl at heart and aside from school, I love to hang out outside, ride horses, and go to concerts. I can't wait to meet y'all!

**Brodie Kettlekamp**

Hey! Clayton "Brodie" Kettelkamp here. I'm a sophomore at Leeds and am currently undeclared, however, leaning towards finance. I was born and raised in Pueblo, CO and grew up playing baseball and tennis, and skiing every weekend I could. You chose the most beautiful place to go to school up here in Boulder, I love it and I'm sure you will too. I love spending time with friends, laughing any chance I get, and meeting new people. This is my first year mentoring but i was in your shoes last year as a mentee. I'm really excited to get to know you guys and help you out in any way I can.

**Erin Nordhof**

I'm Erin Nordhof and I'm a sophomore here at the Leeds School of Business! I'm thinking of pursuing Management, although I haven't quite decided which track yet. I'm from San Diego, California, so heading to a different school in a different state was a huge change for me- so I definitely understand how nerve wracking it is. I work at Darley Commons (the dining hall by the off campus dorms) so if you'll be living in Will Vill, I'll definitely see you around! Other than going to school, working, and mentoring, I also enjoy reading, watching Doctor Who and just chilling with friends.

**Shannon Seery**

My name is Shannon Seery and I am a junior at Leeds studying finance and economics. I am very involved in Alpha Kappa Psi, one of the professional business fraternities in the business school and I love encouraging other students to get involved in programs like this. I love sports and being outdoors enjoying the beautiful scenery of Colorado--I am actually participating in the Business of Sports Program this summer! I am from Golden, CO and am lucky enough to keep in close contact with my family. I am a very friendly person and really excited to help since I have been through all the trials of freshman year and have learned a lot!

**Wilson Spencer**

My name is Spencer, and I am a sophomore with an undeclared business major. I come from the small town of Cicero, Indiana and boarded four years of high school in Sewanee, Tennessee. I enjoy artsing, hiking, working in the kitchen, and a good cup of black coffee.
