1. Robert Pasnau announced he will be on leave during the 2019-20 academic year. The idea of linking the Center Directorship with a potential Endowed Chair position in Conservative Thought & Policy was discussed and the Executive Committee recommended against it.
2. The Executive Committee recommended that the Center investigate other successful interdisciplinary recruitment models at the University, particularly the change in leadership at the Institute for Behavioral Science and the recruitment of the Director of the Jewish Studies program. The Committee advised that particular care should be taken to have the recruitment process for an Endowed Chair position be as collaborative as possible and that outreach to departments should begin this academic year.
3. Alex Holmgren, CWCTP Associate Director presented the 2018-9 budget.
4. Alex Holmgren presented the outline for a new certificate program currently being investigated by the Center, tentatively titled the certificate in Civil Dialogue.
