

Folsom Field Events Parking Guide

Visitor parking is available in the new Folsom Garage that is directly off of Stadium Drive (2250 Stadium Drive). From Folsom Street, turn onto Stadium Drive and make your first left into the parking garage. Please park on the P1 Level. After you have parked, please proceed to the northwest corner of the garage (look for the red signs that point to the elevator). Use the pay machines to pay for parking, OR use the **ParkMobile app**, and pay for parking on your smartphone. *You will need your license plate for payment! From there, follow directional signage for your event to proceed to the venue.
