

## Image Use Fee Schedule

Photographic image use requests must be made by completing an *Image Reproduction Request* form. For all rights & reproductions requests please contact or submit form to [anthrocollections@colorado.edu](mailto:anthrocollections@colorado.edu). The museum reserves the right to refuse any request for the reproduction of its images or research materials.

### Material Fees

Digital files are available as JPEGs at a resolution of 72 ppi for internet and electronic uses and as JPEGs at a resolution of 300 ppi for print use. Low resolution images can be provided for research and study at no charge. Files are available via email and electronic transfer. Files may be made available on a CD upon request. Additional fees may apply.

If there is not a suitable existing image of the object (detail, resolution, view), new photography or scanning may be required at an additional fee. New photography/scanning fees do not include use fees. Price is per image. Archival scanning is priced per hour of digitization work.

Delivery time is two to three weeks. New photography may take additional time. Rush orders requiring delivery within one week will be charged an additional fee.
