The Lunar New Year:

Celebrated by billions worldwide, the lunar new year marks the start of a new year on the lunar calendar. The dates change yearly, falling on February 10th in 2024. The Year of the Dragon will be celebrated in East and Southeast Asian cultures, including China, Vietnam, Korea, and more!

The powerful and majestic Dragon symbolizes good luck, success and strength.

Reunions and Delicious Delights: It is traditional to gather with loved ones and friends for joyous meals and celebrations. We would love for you to join this informal gathering of IDE students, faculty and staff for traditional dishes such as rice treats, dumplings, and spring rolls.

Let's come together to celebrate diversity and strengthen our collective appreciation for the tapestry of cultures that enrich our community.
