Instructional Mode Key

In Person: This class will be taught in person with all students attending each scheduled class.
HY- Hybrid In Person/Remote: This class will be taught using a combination of In-Person and Remote (synchronous) and/or Online (asynchronous) instruction modes. This means that in addition to having an in-person meeting pattern, some coursework may be completed remotely at designated times and/or online at a student's own pace (asynchronous).
Remote: This class will be taught synchronously as a remote section, which means classes will be held virtually during the days and times listed.
HR- Hybrid Remote/Online: This class will be taught using a combination of online and remote instruction modes. This means that while some coursework may be completed online at a student's own pace (asynchronous), the class will also meet remotely at designated days/times each week.
