### About the FCQ

FCQ results are used by students in selecting courses, by instructors to improve their teaching and course materials, and by administrators for tenure and promotion decisions.

Neither instructors nor TAs for the course may be present at any time during administration of this form.

These forms will not be returned to your instructor until AFTER grades have been posted.

Answer each question as it applies to this class or to this instructor.

Please take the opportunity to make comments about the class and instructor. These comments can be extremely useful in helping instructors improve their teaching.

Note: If multiple forms are determined to be from one person, they will be removed.
