

**Concurrent Bachelor's/Master's Certificate of Completion  
of the Requirements for the Bachelor's Degree**

This form must be submitted to the Graduate School in the semester in which the bachelor's and master's degrees are to be awarded. It may be submitted with the master's candidacy application if undergraduate requirements are complete. If the student is completing bachelor's degree requirements during their final semester, the Graduate School must receive this confirmation one week following the commencement date.
