Finding doctors and mental health professionals

Sydney Health app or anthem.com

In addition to using a telehealth service, you can receive in-person or virtual care from your own doctor or another healthcare provider in your plan's network. If you receive care from a doctor or health-care provider not in your plan's network, your share of the costs may be higher. You may also receive a bill for any charges not covered by your health plan.

Sydney Health is offered through an arrangement with Garelon Digital Platforms, a separate company offering mobile application services on behalf of your health plan. ©2023 The Virtual Primary Care experience is offered through an arrangement with Hydrogen Health.
