

Internship with Boomtown Accelerator - Fall 2017

Boomtown Accelerator, located in the heart of the Pearl Street downtown area in Boulder, Colorado is currently seeking motivated interns interesting in getting involved in the Boulder startup scene, connecting with key players in the market, and helping to build our brand, company, and community.

As a Boomtown Intern, you'll be working at one of Boulder's hottest startup accelerators, interacting daily with top entrepreneurs starting their companies. You'll be researching and connecting with up and coming startups looking to enter our program, sitting in with expert mentors, teachers, and community leaders as we work together to drive innovation, discovery, and value, and learning about the Boulder, and global startup industry. This internship is structured to give you the self-directed freedom to involved yourself in areas that you're interested in. This internship is unpaid. You'll get:

- Hands on experience with some of Boulder's hottest startups
- An inside look at how companies form, and how a startup accelerator works
- A great office location right in the heart of the Pearl Street walking mall
- A hip office with a kitchen, social events, fast wifi, dynamic work spaces, 3D printers, etc.

We're looking for:

- Enthusiasm for entrepreneurship, innovation, and strategy
- Opinionated industry research and investment evaluation skills, and the desire to constantly be learning.
- The ability and desire to work in a fast paced, dynamic office environment with lots of projects and initiatives.
- Drive to work independently as well as within the team, and to stay involved and interested with the community.
- Experience managing social media channels, as well as content generation.
- Part time availability, with the option to work both in our office as well as remotely. Hours are super flexible.

Responsibilities include:

- Interacting with our startups, working with them on a variety of projects and tasks, as their companies develop.
- Assisting with and sitting in on startup training classes, workshops, and event.
- Helping to manage the Boomtown space, including events, parties, and gatherings.
- Helping manage Boomtown Demo Day - It's mandatory you're able to attend Demo Day, May 19th 2017, all day.
- Conducting industry research and outreach, helping find great companies to join Boomtown.
- Getting involved with lots and lots of other aspects of Boomtown, and the Boulder Startup community.
