

## Traveling to, from, and around CU Boulder

Please text or call Alicia Adelman at 812-327-9566 with any questions or needs. In addition, we will have an individual at the info desk in the Lobby of the Aerospace building for day-of questions.

### Getting Here

It is best to fly into Denver International Airport (DIA), which is located approximately 45 minutes away from Boulder. To get to Boulder from DIA, take the RTD AB or ABA bus, which costs \$9.00 one-way, if paying on the bus you will need to pay the exact amount on the bus. The bus leaves once an hour, roughly 20 to 30 mins after the hour, from the Transit Center accessed from the south exit on level 5 (look for the large American flag), exit the terminal through the sliding glass doors and take the escalator located in the center of the plaza down to level 1, with further details at <http://www.rtd-denver.com/airport.shtml>. For more details check at the RTD booth or see <http://www.rtd-denver.com/Schedules.shtml>. To view schedule to Boulder, hit the "View skyRide schedules — lettered routes, e.g. AB/ABA" link. RTD buses run many routes so it is important that you take the AB or ABA route. The bus makes a few stops on the way to Boulder and then has quite a few stops in Boulder.

Other modes of transportation between DIA and Boulder are:

- **Supershuttle** (phone: 303-227-0000 or web: <https://www.supershuttle.com/locations/denverden/>) which provides door-to-door service and also leaves DIA hourly.
- **Green Ride Boulder Shuttle**. For schedules, please visit <http://greenrideboulder.com/>. They will leave DIA 30-35 minutes after the hour. Please go to Level 5 (Main Level), Island 5, Outside Door 504. This is on the West side of the Terminal. The shuttle will deliver you directly to your hotel.
- **Uber/Taxi/Lift**: ~\$100-150 each way. Passengers who have requested rides through the Lyft and Uber apps should follow signs for ground transportation then exit the terminal through doors 506-510 (west side) and 507-511 (east side) on Level 5 near baggage claim and proceed to Island 5 to meet your driver.
- **Driving**: [Maps from Airport to Parking and to Aerospace Engineering Sciences Building](#)  
Note: Northerly route is a faster tollway. Current one-way tolls are \$13.45. You can check [this website](#) for information. Enter "Pena Boulevard Exchange/Denver International Airport" for starting point and "NWP / I-25 Interchange" for ending point. Southerly route uses free roadways and includes stoplights/suburban driving.

### Accommodations

[Full list of CU Boulder Suggestions](#): To book with one of our preferred hotels you can book on the hotel's CU website (if a link is provided) or call the hotel directly. If you call to make a reservation directly with any of the preferred hotels, make sure to mention "The University of Colorado special rate".
