

Team Mentor's Survey

Instructions

The Team Mentor's Survey asks about aspects of the project experience and collects information about student team members. We appreciate you taking the time to tell us about your team's experience and your project—regardless of the result.

When you submit this form, each student team member will receive an email with instructions and link to submit the "Team Member's Survey." We encourage you to confirm with your mentees that they received the emails.

This form is for **2024 Summer** projects.

This form will close at 11:59 p.m. on August 9, 2024.

The Team Member's Final Survey will close on August 16, 2024.

Mentor's Information

Mentor's First Name *

Mentor's Last Name *

Mentor's Email *

Do you have a LinkedIn profile? *

Yes No

Enter email again to confirm. *

Optional: Do you want your LinkedIn Profile included in a list available to other members of the UROP community (students/mentors)? * 

Yes, include me. No, leave me out.

Optional: LinkedIn Profile URL

Project Information

Project Title *

Did your project go according to plan? *

Yes No

How did your plans change? *

Optional: Share a photo of your team.

Choose File No file chosen

Optional: Provide a caption for the photo above.

You'll be asked to list team members on the next page.

Student Information

Identify the members of your team, checking "yes" below each to reveal additional entry fields.

This form allows you to include up to 10 team members, who will each receive an email notification asking them to complete an optional Team Grant Student Survey. If you have more than 10 team members, you will have the option to list them after the first 10 have been entered; these students will be sent survey notifications separately.

Program Evaluation

Was UROP funding sufficient to cover all project expenses, including student pay? *

Yes No

Did UROP funding provide fair compensation to the student team members for their time/level of work? *

Yes No

Optional: Provide comments about UROP funding.

Would you recommend the Undergraduate Research Opportunities Program (UROP) to others? *

Yes No

Optional: What could UROP do differently to gain your recommendation?

Optional: Provide additional comments about your experience with UROP.

3 / 4

Council on Undergraduate Research (CUR)

Did you know that CU Boulder is an institutional member of the Council on Undergraduate Research (CUR) and that membership provides benefits to everyone on campus? *

Yes No

Institutional membership assists institutions with developing, supporting and sustaining their undergraduate research efforts. Partnering with CUR enables campus transformation, offering tools for administrators, opportunities to showcase and strength student achievements, and access professional development in research and curriculum for faculty and staff.

Did you know that CUR provides engagement and leadership opportunities in divisions primarily organized around disciplinary interests? *

Yes No

CUR Divisions are led by division representatives who oversee the development of publications, professional learning, and awards, and who advise CUR leadership on the needs of specific disciplines and roles within undergraduate research. All CUR members are invited to engage with leaders in any division, but each provides a community focused on the division's interests.

Optional: Which CUR division(s) best describes your areas of expertise and/or interest? ?

- | | |
